**Selection process number: 2090-CMN-24-OC-055**

---

### Your place at the Museum

We value diversity and believe we benefit from working in a place where everyone feels included and where the unique qualities and strengths inherent in a diverse workforce are combined. We welcome applications from persons who may identify as a member of one or more other equity seeking groups (for e.g. visible minorities, disabled, 2SLGBTQIA+, religious or cultural minority).

You have a place at the Museum!

### About the position

Under the direction of the Operational Programs Lead, in collaboration with the Programs Team (i.e. Developers, Education Programs Lead, Volunteers, etc.), the incumbent delivers virtual and in-person programming activities and interpretive science activities to a variety of audiences, ensures setups, assists with maintaining programs spaces and materials, and provides feedback on the delivery experience in order to ensure a positive visitor experience and incite repeat visits.

### Working at the museum means:

- Contributing to an engaging mission as well as exciting projects and challenges
- An inclusive, friendly and safe work environment
- A competitive salary established by collective agreements
- Access to federal public service group insurance and pension plans

### Eligibility criteria

This position is open to all Employees of the Canadian Museum of Nature and any members of the public who meet the qualifications below.

*\*Candidates must be legally entitled to work in Canada.*

**Education and training:**

Completion of high school education or equivalent.

Post-secondary education in a discipline related to natural sciences or environmental education would be an asset.

**Language requirements:**

English and French are essential

Bilingual Imperative: B-C/B-C

**Experience:**

- In delivering educational programming to various audiences (including youth, families, adults, and school groups);
- In coordinating material requirements and set-up to ensure the efficient delivery of educational programming;
- In working with volunteers, partners or staff.

**NOTE: Hours of work will include evenings, weekends and holidays.**

**Interested? APPLY!**

The Canadian Museum of Nature is committed to inclusive and barrier-free selection processes and work environments. If you are invited to participate in the selection process, we encourage you to advise us of any accommodation you may require. This information will be treated as confidential.

*The Statement of Qualifications providing greater detail about the skills, knowledge and aptitudes needed for this role can be obtained by contacting the Museum at [competition@nature.ca](mailto:competition@nature.ca).*

All candidates must submit a cover letter and resume outlining how their experience and training meet the requirements listed above.

Please mention in your cover letter your availability.

**Send your application by filling in the [form on the Museum's Careers](#) page where you can upload your cover letter, curriculum vitae and any other required documents.**
