Freestyle Socials Course

The Canadian Association of Science Centres is pleased to partner with Science Everywhere to offer free access to their new Freestyle Socials Course beta between March 2025 and March 2026 to our members and eligible collaborators.

Participating Organizations Receive

1. Free access to the Freestyle Socials Course from March 1st, 2025 to March 31st 2026 for up to three staff members.
2. Access to course updates.
3. One complimentary support call with the Science Everywhere team per organization.
4. Access to a downloadable bank of themed questions.
5. Access to ScienceUpFirst resources on tackling misinformation.
6. Evaluation guide to support your reporting.

Participating Organizations Commit

1. Staff time to complete the training course
2. Equipment access for hosting the game.
3. Deliver at least one Freestyle Socials game between March 1st, 2025 to March 31st 2026 that connects to debunking misinformation
4. Evaluate player enjoyment and learning from each game
5. Report to CASC about course participation and game evaluations. Final reporting due March 2026.
