### Your place at the Museum

We value diversity and believe we benefit from working in a place where everyone feels included and where the unique qualities and strengths inherent in a diverse workforce are combined. We welcome applications from persons who may identify as a member of one or more other equity seeking groups (for e.g. women, visible minorities, Indigenous peoples, persons with disabilities, 2SLGBTQIA+, religious or cultural minority).

You have a place at the Museum!

### About the position

To provide technical support for the Palaeobiology section, specifically through preparation of fossil material in support of the Palaeobiology research programs at the CMN with a particular emphasis on the preparation of dinosaur and fish material.

### Working at the museum means:

- Contributing to an engaging mission as well as exciting projects and challenges
- An inclusive, friendly and safe work environment
- A competitive salary established by collective agreements
- Access to federal public service group insurance and pension plans

### Eligibility criteria

This position is open to all Employees of the Canadian Museum of Nature and any members of the public who meet the qualifications below.

\*Candidates must be legally entitled to work in Canada.

### Education and training:

Graduation with a bachelor's degree with specialization in the sciences, a relevant diploma in museum studies, or an equivalent combination of education, training and experience.

### Language requirements:

- English or French essential;
- Bilingualism (English/French) is an asset.

### Experience:

- Experience in a museum, conservation, and/or collections management setting.
- Experience in fossil specimen preparation, handling, and transportation.
- Experience in standard specimen conservation and storage techniques.

**The following experiences will be considered as an asset:**

- Experience identifying and studying vertebrate specimens.
- Experience in specimen imaging and drawing.
- Experience in 3D scanning, data processing, and printing.

**Interested? [APPLY!](#)**

The Canadian Museum of Nature is committed to inclusive and barrier-free selection processes and work environments. If you are invited to participate in the selection process, we encourage you to advise us of any accommodation you may require. This information will be treated as confidential.

The Statement of Qualifications, providing greater detail about the skills, knowledge and aptitudes needed for this role, can be obtained by contacting the Museum at [competition@nature.ca](mailto:competition@nature.ca).

All candidates must submit a cover letter and curriculum vitae outlining how their experience and training meet the requirements listed above.

**Send your application by filling in the [form on the Museum's Careers](#) page where you can upload your cover letter, curriculum vitae and any other required documents.**
